

UPGRADED SERVICES NOW AVAILABLE FROM THE PATRIARCHATE'S WEBSITE ADMINISTRATION

It is hereby announced that the upgrading of the Central Website of the Patriarchate of Jerusalem, <http://www.jerusalem-patriarchate.info/eng> is now complete. The following new services are available as of today:

1. A large number of photographs from the Patriarchate's liturgical life are now posted on Facebook and Dropbox and may be copied to your computer.
2. Direct access to the Patriarchate's TV channel on YouTube.
3. Access to the archives of the Patriarchate's Radio Station, where users are able to freely download all available archives on their computer.
