

PROJECT BY MR. THEODOSIOS MITROPOULOS, ARCHITECT OF THE CHURCH OF THE RESURRECTION, ON THE HISTORY & OPERATION OF THE H. MONASTIC CHURCH OF SAINTS CONSTANTINE & HELEN OVER THE CENTURIES

Today, Wednesday 6th September 2017, the Jerusalem Patriarchate Website publishes the remarkable project by Dr. Theodosios Mitropoulos, Architect of the All-holy Church of the Resurrection, which refers to the foundation, operation and renovation of the Central Monastic Church of the Hagiotaphite Brotherhood, in honour of the God-crowned King and Queen and equal to the Apostles Constantine and Helen.

(The renovation work of the aforementioned Holy Church which was exclusively undertaken by the Typikon Keeper Archimandrite Alexios, was completed in December 2012).

The full project can be found in the link below:
