

END OF SCHOOL YEAR VISIT OF THE SCHOOL OF ZION STUDENTS TO HIS BEATITUDE

On Tuesday, June 10/23, 2020, the School of Zion students with the Managing Director Archimandrite Mattheos and the Boarding School Manager Hierodeacon Simeon visited our Father and Patriarch of Jerusalem Theophilos, at the end of the School Year, with God's grace despite the COVID-19, and asked His blessing to visit their parents in Greece.

In this meeting His Beatitude advised the students to follow the safety precautions against the virus and enjoy their vacation with their families, and return at the end of the summer for the continuation of their studies at the School.

The Managing Director of the School and the students thanked His Beatitude for the interest of the Patriarchate in their education.
